Subject: Upcoming Queensland Single-Use Plastics Support Visit

Dear Retailers,

We'd like to let you know that the Australian Retail Council (formerly the National Retail Association), on behalf of the Queensland Government, will be visiting selected retailers as part of the final round of Queensland single-use plastics business support visits.

These visits are intended to check in with businesses, answer any questions, gather feedback, and help ensure retailers feel supported in understanding and complying with Queensland's single-use plastic bans.

Sunshine Plaza has been selected for one of these final visits, with retailer visits planned for 17 June 2026.

During the visit, the team may stop by your store to share information, answer any questions you may have, and hear about your experience with the bans introduced since 1 September 2023.

If you would like more information before the visit, please refer to the Queensland Plastics Ban website > <https://qldplasticsban.com.au/> or contact the support team on 1800 844 946.

Thank you for your continued support and cooperation.
Kind regards,

Centre Management Team
Sunshine Plaza
