

SUNSHINE PLAZA

1 July 2026

Dear Retail Partners,

Please be advised that a NABERS assessor from NettZero will be conducting a site inspection at Sunshine Plaza this **Friday, 3 July 2026** between **9:00am and 1:00pm**.

NABERS (National Australian Built Environment Rating System) is a national rating system that measures the energy and water efficiency of a building. The assessor will be onsite to evaluate Sunshine Plaza's performance across these areas as part of our ongoing commitment to sustainability.

As part of the assessment, the assessor may require access to your tenancy during this time. We kindly ask that you make your team aware and ensure access is available should it be requested.

Should you have any questions, please don't hesitate to reach out to Operations Manager Simon Brooker Simon.Brooker@gpt.com.au.

Best Regards,
