

SUNSHINE PLAZA

Dear Retail Partners,

National Day of Mourning – Thursday, 22 January 2026, 6:01 PM (Qld time).

We wish to inform you of the National Day of Mourning declared by the Federal Government to honour the victims and all those impacted by the tragic terrorist attack at Bondi Beach.

All Australians are invited to observe a minute's silence at 6:01 PM (Qld time) on this day to pay our respects and stand united as a community. The Centre will be observing one minute's silence at this time which will be preceded by an in-centre PA announcement.

Request for Your Support:

We respectfully ask that you:

- **Inform your staff and customers** in advance of the minute's silence
- **Pause trading activities** at 6:01 PM for one minute where safely possible
- **Pause music and/or dim lighting** during the minute's silence as appropriate

We understand this falls during peak trading hours for many retailers. We appreciate any way you can respectfully mark this solemn moment while maintaining the safety and comfort of staff and customers.

Our thoughts remain with all those affected by this tragedy.

Kind regards,
Centre Management
