
Retailer Handbook

Sunshine Plaza
2025-2026

Our Centre

Sunshine Plaza has the largest and most diverse variety of specialty stores on the Sunshine Coast with over 315 specialty stores together with David Jones, Myer, Kmart, Target, Big W, Coles and Woolworths.

Uniquely situated along the Cornmeal Creek waterway, the centre blends premium retail with leisure and dining in a coastal setting, delivering a compelling experience for both residents and the area's growing tourism base. Sunshine Plaza remains the dominant retail asset in one of Australia's most rapidly growing regions.

The Riverwalk & Promenade is the perfect leisure and entertainment choice on the picturesque natural waterway, Cornmeal Creek. These precincts offer a variety of restaurants offering extended trade, a 12 screen Birch Carroll & Coyle Cinema along with paddle boats for the entire family to enjoy.

Our Heritage

Sunshine Plaza opened its doors in 1994, quickly establishing itself as the largest shopping centre on the Sunshine Coast.

Over the decades, Sunshine Plaza has continually evolved to meet the needs of its growing community. The recent major redevelopment in 2019, have transformed the centre into the vibrant retail, dining and entertainment destination it is today.

Sunshine Plaza wishes to acknowledge the Kabi Kabi people and the Jinibara people, the Traditional Custodians of the land on which we gather. We pay respect to Elders - past, present and emerging. We extend that respect to all Aboriginal and Torres Strait Islander peoples.

Customer Service

At Sunshine Plaza, customer experiences are our priority. Presentation of the centre is critical to this, but so is the way in which we interact with our customers. We believe that positive interactions that are informed, proactive and personalised are the key to a genuine connection with our customers that will drive loyalty and repeat visitation.

The Customer Service Desk is the first point of contact for all retailer enquiries. Our friendly Customer Service team will then be able to direct your query to the appropriate Centre Management team member.

The Customer Service Desk provides services and assistance for customers including mobility hire, PA services, kiddy cruiser hire and the sale of gift cards

Please contact the Customer Service Desk for all enquiries regarding:

- Trading hours
- Afterhours access
- Inventory closing/stock taking
- Spills
- Air conditioning
- Centre events and activities
- Maintenance requests
- Customer feedback
- Marketing enquiries
- Pop up enquiries
- Public transport
- Lost and found property
- Storage facilities
- trip facilities
- Lost or missing children or vulnerable persons.
- And much more...

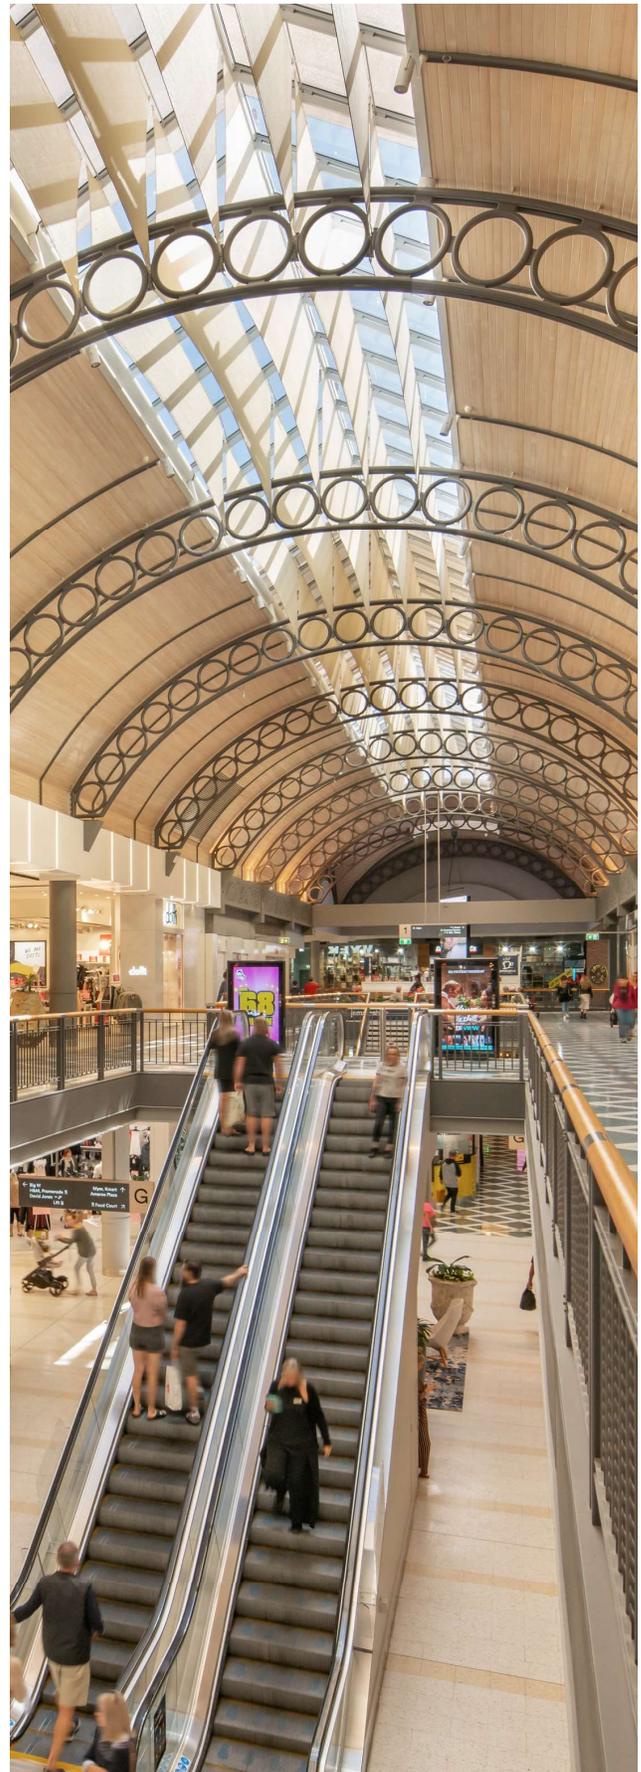

The Customer Service Desk is located on Ground Floor near the retail bridge kids play area. Our Customer Service Desk can be contacted via **07 5443 4133** or **sunshine.plaza@gpt.com.au**.

Retailer Inductions

The Sunshine Plaza Retailer Induction process is a system designed to ensure those working within the Centre are inducted to the site.

Retailers are required to scan the QR Code and complete the sign-up process via the RapidGlobal site to complete their induction on a yearly basis.

Changing Places

Our adult change room is located in the amenities corridor between Just Cuts and Ann's Nails.

Bicycle Parking

Do you ride your bike to work or to the Centre? We currently have two locations for bike parking. Amaroo Plaza entrance near Café 63 has bike racks as well as the Coles multi-level ground floor entrance next to the Car Park Pay Station.

Electric Vehicle Charging

Evie provides convenient, fast charging powered by 100% renewable energy wherever you work, shop or play. Charge your EV with up to 150kms of range in 15 mins with Evie fast charging. Find the Evie charging bays on Level 3 of the Yellow Myer multi deck car park.

Tesla provides chargers capable of charging six Tesla electric vehicles at once. This station will be capable of rapidly charging a Tesla electric vehicle providing 120 kilowatts of power for a 270kms trip, in half an hour. The charging bays are restricted to Tesla vehicles only. Find the Tesla Supercharger station on Ground Level of the Red Kmart multi deck car park.

Amazon Hub Lockers

Pick up your packages at a secure, self-service locker at any time you desire. When choosing your Amazon delivery location, select "Sunshine Plaza Maroochydore, Queensland" Amazon Hub Locker - Gui (Amazon Locker Name). The Amazon Hub Lockers can be found outside Coles carpark, near MyCar Tyre & Auto.

Free Wifi

Free Wi-Fi is available at the Centre. Simply go to your phone settings, Wi-Fi and search for Sunshine Plaza Free Wi-Fi. You will need to fill out a Log-In page in order to proceed. Please enjoy this service whilst shopping at the Centre.

Accessible and Senior Parking

Our accessible parking bays are wider than other parking spaces to make access to and from the centre easier. Accessible and senior parking bays are conveniently located near all the centre's main entrances.

Justice of the Peace

A Justice of the Peace is located on Level 1, near Australia Post. A JP can be contacted for witnessing support during business hours on 1300 301 147 or jp@justice.qld.gov.au.

Parents Rooms

Parents Rooms have been provided for parents and guardians to take care of their children while shopping at the centre. They are located in three locations; Food Court, Ground Floor on amenities corridor between Just Cuts and Ann's Nails, and Ground Floor next to Big W. All Parent's Rooms are equipped with microwaves and secure playpens.

End of Trip Facilities

The centre provides end-of-trip facilities for retail staff, located at Amaroo Plaza opposite Café 63. Access is available via swipe card, which can be issued at the Customer Service Desk. For further information or assistance, please contact the Customer Service Desk.

24/7 Security Number: 0403 516 851

The Sunshine Plaza Security Team monitors the Centre 24 hours a day, 7 days a week. The Security Team is responsible for the day-to-day security needs of the Centre, including opening and closing of common areas and car parks.

After Hours Access

For emergency management purposes and to ensure the site is appropriately secured, Security must be informed of any tenancy access required outside the permissible tenant access hours.

This includes but is not limited to activities such as store stocktakes, VIP trading, contractor access, training and additional late trade. To request access, you will need to complete the appropriate forms on the retailer website (page 2).

Personal Security

If at any time you or your staff feel that personal security is compromised or recognise suspicious activity, contact Security Control who will attend and provide support.

In-Store Security

Should a crime be committed in or against your store either during or outside trading hours, contact Police (000) as a priority and notify Security who will support Police as required.

After Hours Security

Where security services are required for tenancy afterhours access, contact Security on 0403 516 851 for details.

Reporting Suspicious Activity

The public play a major role in providing information to law enforcement and intelligence agencies charged with protecting the community. If you see something that is unusual or doesn't seem to add up, please speak up by calling our security team and the 24-hour Crime Stoppers hotline on 1800 333 000.

R U OUT

Sunshine Plaza uses R U OUT, an easy-to-use software platform for Tenants and Facility Management teams to better manage emergency incidents and evacuations.

Retailers are highly encouraged to become familiar with the system as it will be critical in the event of an emergency.

Please scan the QR Code to access R U Out tenant guide

Security Control Centre

The Security Control Centre is located above the BYD tenancy on the Promenade. The Security Control Centre is operational 24/7.

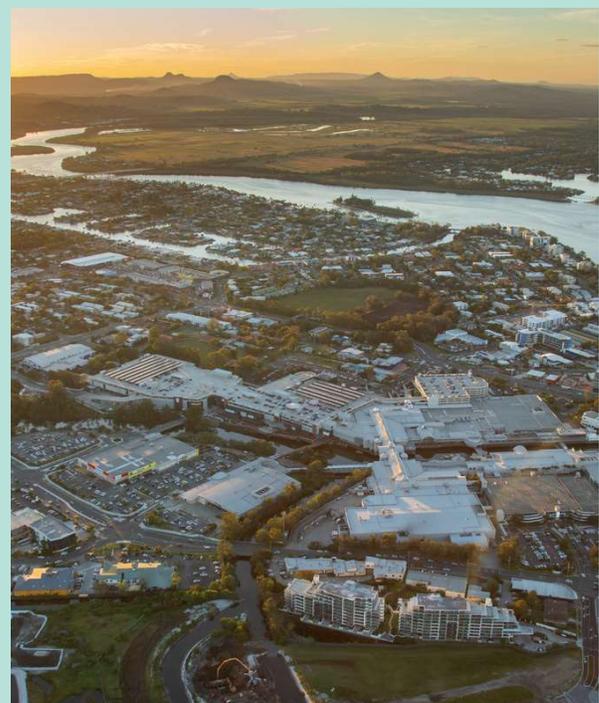

Risk & Security

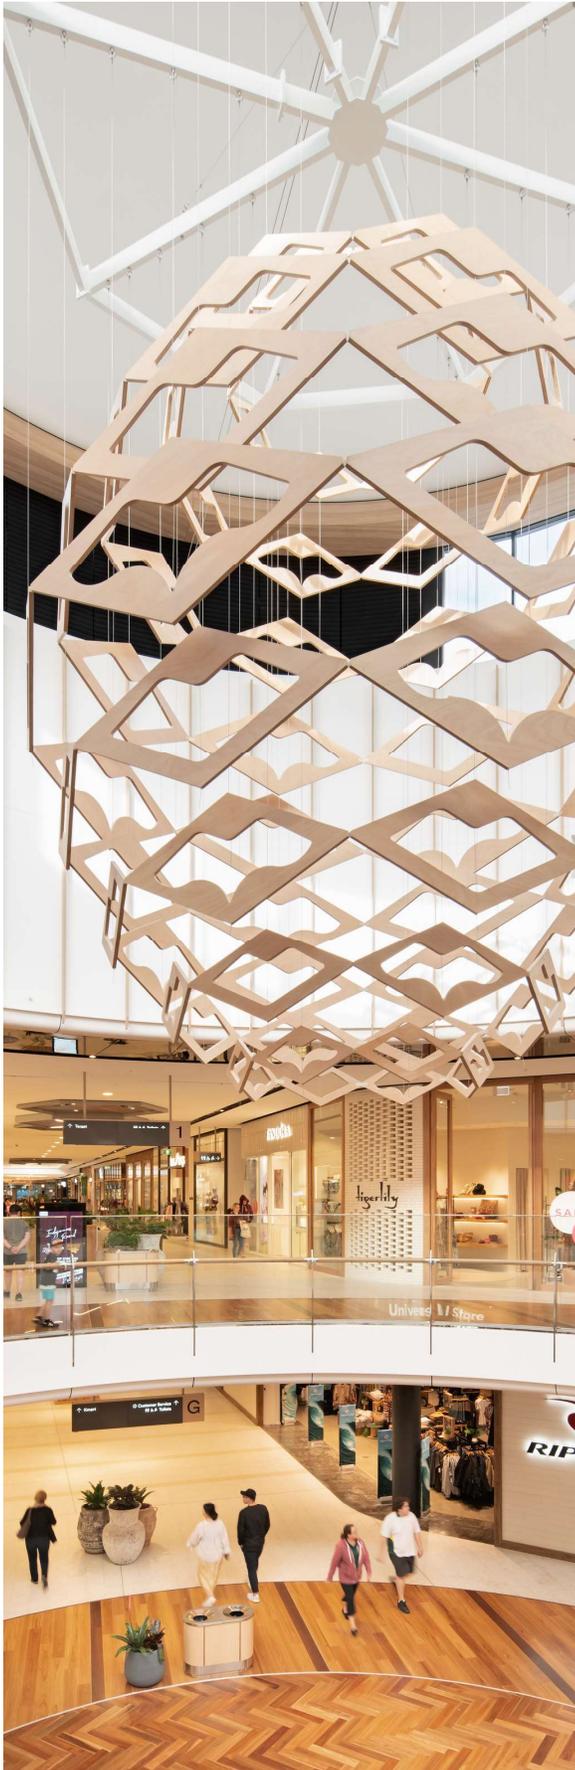

Role of Security Offices

The role of security is to maintain the overall safety of the Shopping Centre and the people within the Centre. The daily tasks revolve around helping to deter issues and ensuring a positive guest experience for all.

This is achieved by:

- Ensuring we are vigilant in the Centre
- Monitor suspicious behaviour
- Assist retailers and customers
- Identify hazards
- Enact the Centre's emergency management procedures
- Provide First Aid
- Maintain the peace in escalated situation
- Monitor surveillance equipment, and access points
- Investigate security breaches
- Compile reports by recording observations, information, occurrences, and surveillance activities
- Reporting through appropriate approved channels (Internal such as Centre Management Team and External, such as the Police)

Shoplifting Support

In the event of shoplifting occurring in your store the security officer is there to assist the retailer, collect details for further reporting and suggest the retailer reports the offences to the Police.

Queensland Police have put together a document which details information on how to prevent shop Lifting and what to do if it occurs. Search Shoplifting on the QLD Police Website <https://www.police.qld.gov.au/>

Please also refer to your store specific policy in relation to shoplifting and remember that **your safety and your teams safety is of the most importance** when dealing with suspected shoplifters.

Security Officers Can:

- Assist the retailer only. The retailer must take responsibility of any actions towards the offender and the Security Team is there to prevent breach of peace
- Provide visual presence, act as a deterrent and provide a witness
- Assist the tenant in making police reports and providing resources to do so
- CCTV support where possible to provide to the Police upon request

Security Officers Cannot:

- Take over the incident as they are not the complainant
- Search people or their bags. Security Officers can assist the retailer in asking the person to remove items from their bag, however they cannot place their hands in a person's bag or remove/take items
- Security cannot search a person. The Security Team cannot conduct a search of a person or property.

Emergency Procedure Training

Sunshine Plaza conducts annual emergency procedure training, and retailers along with their employees are strongly encouraged to participate.

For the schedule of upcoming training sessions, please contact: sunshine.plaza@gpt.com.au

In case of an evacuation please note the following:

1. Follow instructions from Floor Wardens and Area Wardens, who are identifiable by their safety hats and vests
2. Upon hearing the **ALERT** signal ("beep...beep"), be prepared for a possible evacuation and await instructions
3. Mobility-impaired persons should be assisted to the nearest Fire Exit under the care of a Warden.
4. When the **EVACUATION** signal ("whoop...whoop") sounds or upon instruction, proceed immediately to the nearest exit and then disperse.
5. Do not use lifts during evacuation or emergencies;
6. Use Fire Exits only.

Ensure all staff are familiar with Sunshine Plaza's Evacuation Plans. These should be displayed in a visible and accessible location within your tenancy.

WASTE MANAGEMENT

Waste compactors can be accessed via retailer swipe cards, available from the Customer Service Desk. All card users must be trained by the Centre Management operations team in how to use the compactors. Replacement cards can be organised from the Customer Service Desk at a cost of \$25.00 + GST.

For everyone's safety and to comply with environmental regulations, please don't place chemicals, explosives, poisons, medical or clinical waste, liquid waste, or used cooking oil in our general waste or recycling bins. If you need to dispose of any of these items, simply let us know and we'll be happy to advise the appropriate collection and disposal.

Note that building waste and materials must not be deposited in the compactors. All contractors must remove all building rubbish from the site. Please contact the Customer Service Desk to discuss appropriate waste management methods.

Waste & Recycling Procedures

Recycling is a key part of our waste management program. For your safety and to maintain efficiency, it is essential to strictly follow the waste disposal directions displayed on bins and equipment.

- All equipment is clearly signposted and colour-coded to guide correct disposal.
- Each loading dock provides options for both general waste and cardboard recycling.
- The Cardboard/Paper compactor is for cardboard and paper only. Waxed cardboard must not be placed here and should go into the General Waste compactor instead.
- Compactors can be accessed via retailer swipe cards from the Customer Service Desk.
- Co-mingled recycling bins (yellow bins) are for plastic or glass bottles and aluminium cans. Please separate your waste accordingly at the loading docks.
- A receptacle for cooking oil disposal is also located in the loading docks. Please contact the Maintenance Team for details on how to utilise this service.

Important Reminders

- Retailers must not place shop waste in the Centre's customer bins. Any waste found in customer bins will be returned to your tenancy for proper disposal in the loading dock waste areas.
- To arrange an introduction to the Centre's recycling services or for assistance, please contact the customer service desk 07 5443 4133 and request to speak with the Cleaning Manager.

Grease Traps – Food tenancies

Grease traps merely remove grease from the water. Incorrect disposal of grease, oil and fat down sinks and drains may cause blockages and offensive odours as well as being illegal.

The following precautions are advised to ensure correct disposal of grease, oil and fat:

- Remove food scraps off plates into appropriate bins before washing them.
- Collect fats and cooking oils and dispose of these correctly at the recycling point provided for oil in loading docks.
- Do not pour cooking oils down any drains, sinks or floor wastes.
- Ensure sinks and floor wastes have grates.
- Do not dispose of any solid waste i.e. disposable gloves, food scraps through floor waste points.

Loading Docks

Please note the following requirements regarding the use of Loading Docks and receiving goods.

If you're using a private vehicle to deliver goods, we ask that once you've unloaded, you move your vehicle promptly so others can access the loading docks without delay. Please advise your delivery contractor to use the loading docks when bringing in goods, as this helps us manage traffic flow and keeps deliveries running smoothly. To help keep corridors clear and safe, we recommend keeping trolley loads under 1.4 m. Service corridors and goods lifts are available for deliveries—just ask if you need directions!

Our loading dock area is a smoke-free zone under our centre rules. Please ensure that all staff, contractors and delivery teams are aware of this requirement. To maintain a safe environment for shoppers, deliveries must travel on the goods lifts only—our customer escalators and passenger lifts are reserved exclusively for public use. To avoid any confusion with shopper trolleys, contractors should use their own carts or those provided by the store. Wheels must be rubber and at least 150 mm in diameter.

Finally, please ensure empty crates and wooden pallets are not left in the loading docks overnight. Delivery drivers can either remove these immediately or place them in the docks on their scheduled collection day.

For more information on our loading docks. Visit the retailer website.

Centre Policies

Core Trading Hours

Please open your store in line with the trading hours specified in your lease. We understand that unforeseen circumstances can arise—if you're ever unable to open as planned, simply let our Customer Service team know as soon as possible so we can support you and keep shoppers informed.

Lease Lines

To keep walkways clear and maintain consistency throughout the centre, we ask that all displays and merchandise remain within your designated lease line. If you'd like to extend beyond that boundary for a special event or promotion, just send a written request to our Customer Service team.

Back of House Areas & Fire Corridors

All Back of House Areas, Fire Corridors and Fire Stairwells are required to be completely clear of any stock, equipment, waste or boxes.

It is an offence to place anything in or near a fire exit that may obstruct persons moving to and from the exit, or to interfere with or obstruct the operation of any fire doors, or to remove, damage or otherwise interfere with any notices.

Obstructing Back of House Corridors

All Back of House Areas, Fire Corridors and Fire Stairwells are required to be completely clear of any stock, equipment, waste or boxes.

It is an offence to place anything in or near a fire exit that may obstruct persons moving to and from the exit, or to interfere with or obstruct the operation of any fire doors, or to remove, damage or otherwise interfere with any notices.

Extended Trade

Should you wish to trade outside of the Centre's core trading hours, please contact the customer service desk 07 5443 4133 who will co-ordinate this with Centre Management.

Please note that additional charges may apply if trading beyond the standard trading hours.

Please be aware that the Centre may trade extended hours at no cost to retailers in the lead up to Christmas, unless stipulated in your lease, your store is obliged to remain open in the hours set by the Centre.

Handwritten Signage

All in-store signage must be of a professional nature with handwritten signage prohibited. Centre Management can assist by providing the contact details of local signage contractors that can assist with your signage needs. Please reach out to the customer service desk 07 5443 4133 if you require any assistance.

Store Presentation

A neat, well-presented store enhances the shopping experience for everyone. Please keep your shopfront, signage and glass surfaces clean and tidy, and store boxes or non-stock items out of customer view in your back-of-house area.

Storeroom Licencing

Storage space in centre is available for lease. Please contact the sunshine.plaza@gpt.com.au.

Trolleys

Shopping trolleys are provided by our major tenants for customer use. To avoid confusion and ensure availability, we encourage retailers to use their own trolleys or carts for moving stock and waste. Investing in a dedicated trolley for your operations will help things run smoothly.

Helium Balloons

Use of helium balloons are strictly prohibited within Sunshine Plaza and must not be used for any visual merchandising, activations or displays due to the fire risk they pose.

Balloons inflated solely with air may be used within reason.

In Store Music Systems

Retailers are permitted to use music to create a pleasant atmosphere within a tenancy.

Music must be played at a volume that is not disruptive to shoppers or surrounding retailers.

Speakers must be turned inwards to face inside the store. It is critical that retailers ensure all music being played within the tenancy does not contain inappropriate or offensive language or breach any laws or the terms of the Lease.

Leaflet Distribution

Engaging in this practice without approval is strictly prohibited.

Photography & Filming

GPT ask that prior written permission be obtained if you wish to take photos or film within Sunshine Plaza for commercial or external use.

Please contact sunshine.plaza@gpt.com.au to gain permission.

At no time do we permit photography in our Back of House areas or within the amenities and their surrounding areas.

Store Security & Contacts

Please note that you are responsible for keeping your premises secure. You must also ensure that all doors and openings are locked or shut securely when the premises are closed or unattended.

It is extremely important that you provide the Centre Management with an emergency contact for your store in the event of an incident occurring.

Please contact sunshine.plaza@gpt.com.au to update your store's emergency contact. Alternatively, you can update these details on the retailer website.

Smoking & Vaping

Smoking and vaping are banned within all retail premises and the Centre including all common mall areas, lobbies, lifts, toilets, loading docks, plant rooms and within 5 meters of entry doors.

Smoking and vaping within the Centre will activate the Centre's fire alarm system. Please observe all non-smoking signage in the external areas of the Centre.

Trading Outside the Tenancy

Trading outside of your tenancy is not permitted unless approved in writing by way of a license available by contacting the Business Development Executive, Will McMullin on 0403 557 259.

At all other times, tenants display racks, sign stands, trestle tables, merchandise and other items must be located within your leased/licensed area as defined under your Lease.

Restrictions on External Parties

Sunshine Plaza seeks to minimise unsolicited offers of goods or services in the Centre by unauthorised third parties. Without prior approval from Centre Management, the below are not permitted :

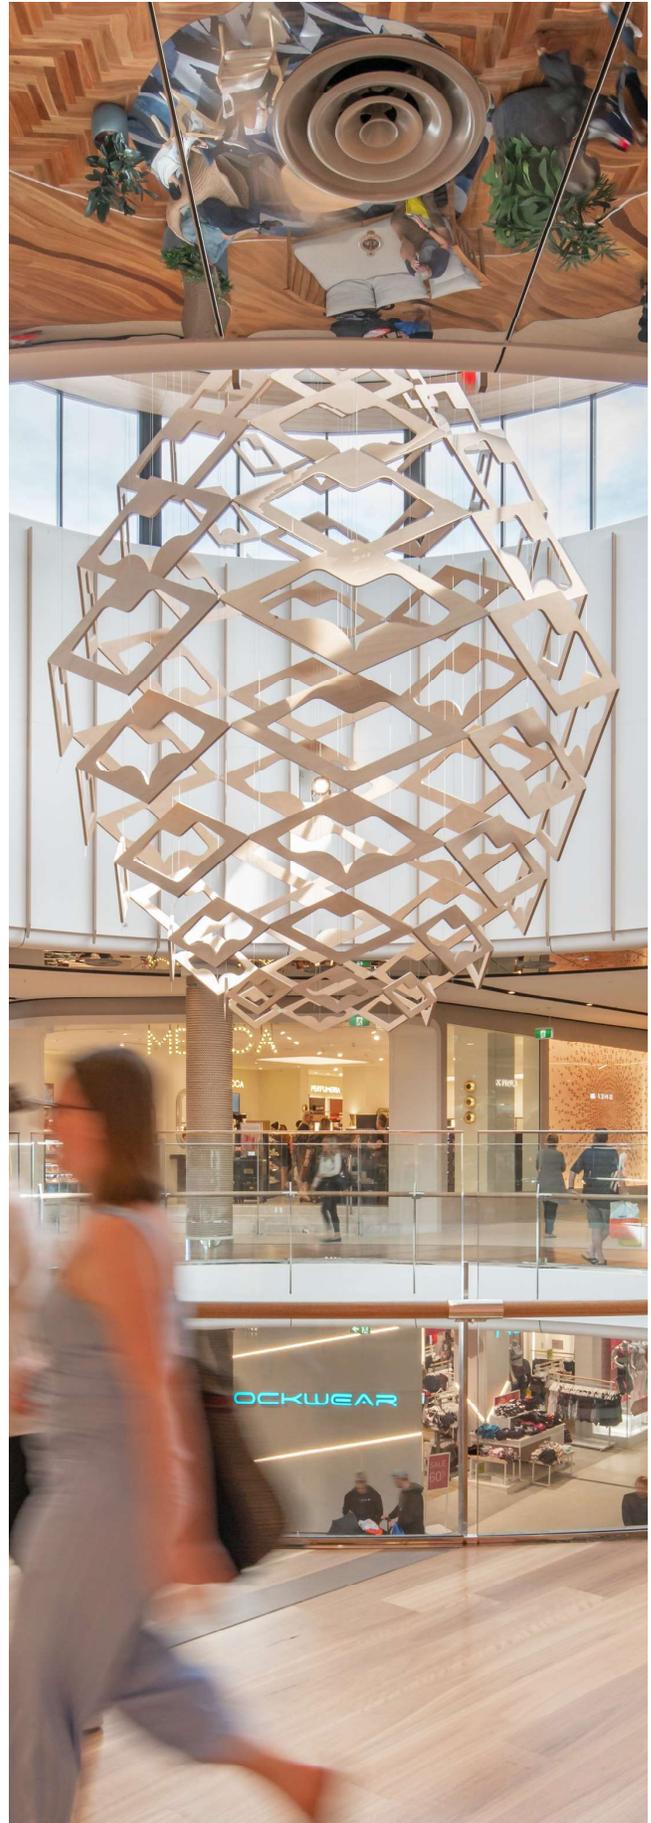

- Unauthorised photographic activity and video recording within Sunshine Plaza
- Unwanted sales approaches in Sunshine Plaza
- Market research other than that initiated or authorised by Centre Management

Delivering goods

Make sure that any trolley that is used for carrying goods does not mark or damage the floor of the Centre and makes minimal noise. Any trolleys must have rubber wheels.

Retailers must not deliver large or bulky goods through the retail mall or other areas accessible to the public during Core Trading Hours.

As above, please ensure that major trolleys are not used to transport goods.

Marketing

The Sunshine Plaza Marketing Team is available to provide assistance with your marketing opportunities.

Should you require information that will assist you in organising special events or promotions within your store, please contact any of our Marketing Team, who will be happy to provide suggestions in the following areas:

- Advertising / public relations
- Centre marketing opportunities
- Media rates
- Promotions
- Ticket / sign writing
- Point of sale material
- The following Marketing and sales information for the Centre can be provided to upon request:
 - Details of customer traffic
 - Market research

Visual Merchandising Displays

Our centre offers display spaces available for retailers to showcase products on a loan basis. Places in these displays are limited so reach out to our marketing team.

Pop-Up Retail (Short Term Mall Leasing) & Advertising

Pop Up Retail is available to both retailers and external businesses and is a great way to test a new product or business concept, increase your customer base and acquire new customers.

Mall Merchandising allows maximum exposure to potential customers, with minimal overhead expense and is a short-term, cost-effective way to test new concepts in an established retail environment.

A National Code of Conduct of Casual Mall Licensing was introduced on 1 January 2008 and is endorsed by The Property Council of Australia and the Retail Association of Australia. This code operates in all States and Territories with the exception of South Australia. GPT follows this Code of Conduct for all Mall Merchandising activities.

For a copy of this code you can view online at www.scca.org.au
